Financial Assistance Programs:

Co-Operators Community Assistance Application

This fund is exclusively available to SWAT families due to the generous support of Maslyk/MacKenzie Insurance & Financial Planning (The Co-operators Windermere) and has been set up to assist SWAT families that otherwise could not afford the registration cost of playing hockey for the 2020/2021 season. Funding is being considered on a family by family basis and, if approved, will cover up to 50% of the player(s) registration fees for the 2021/2022 season. DEADLINE TO APPLY: August 1st by 11:59 PM

Several other funding options exist for those that qualify. The below programs are self-managed. Information, application and qualifying information can be found on the respective links:

Coaching and Assistant Coaching with SWAT Hockey

Thank-you for your interest in Coaching or Assistant Coaching! Coaches and Assistant Coaches are entered into the Hockey Canada Registration system the same way as players and so we need to get you to register online too!

To use the online registration system used by SWAT Hockey—make an account, or sign in to your existing account, choose **'register a new participant'**, select Bench Staff, then the Coach or Assistant Coach Package, answer questions, and complete registration.

Please complete your registration as soon as possible as this will allow us to follow-up with you during the summer months so you are ready to hit the ice at the beginning of the 2021-22 season! Follow up will include a Police Information Check and any outstanding certification requirements.

To be considered as a coach for the upcoming season, we ask coaches to help out with evaluations that will begin in September.

SWAT Hockey reimburses for approved Coaching courses for our Coaches and Assistants. Please forward course receipt when completed to registrar@swat.ca or treasurer@swat.ca

Please note that Coaches that completed the Coach's RIS Course more than 4 years ago will be required to recertify for the upcoming season. Please email registrar@swat.ca for the prepayment code.

Registration Requirement: Respect in Sport (RIS)

The Respect in Sport Program is an online certification program designed to protect our youth as well as enhance Hockey Alberta's mandate of providing a safe and fun environment for all of our participants. It is Canada's leading online bullying, abuse, harassment, and negligence prevention program for parents, coaches, and community leaders. There are two streams of RIS - one for parents and one for coaches. Each family must complete RIS and provide proof of completion. Your certificate is valid for 4 years from the date of completion (all current certificates can be adjusted by one year to accommodate missing most of last season. Please visit <https://www.hockeyalberta.ca/members/respect-sport/> for more information and complete RIS. If you do not know your certificate number or date of completion, please [click here](#).

Registration Requirement: Volunteer Deposit Program

SWAT Hockey is a volunteer-run organization, and as such, it depends on the volunteer assistance of its members to function successfully. Volunteers are essential to maintaining and growing the SWAT Hockey Club.

Overview of 2022-23 Volunteer Deposit Program:

- Every family is required to complete volunteer commitments for 2022-23 unless they have paid the volunteer opt-out fee on their registration. It is important to note that we would rather have the family complete a volunteer commitment than pay the opt-out fee.
- For all categories (U7-U13), families are required to complete ONE LEAGUE and ONE TEAM COMMITMENT **per player**.

For more details, please refer to the [Volunteer Information package](#) located under Volunteers on the SWAT website.

All Girls Teams

SouthWest Zone will exclusively offer the all-girl team programming on behalf of SWAT and Confed Hockey. Should your female player wish to play on an all girl team, please register directly with South West Zone Hockey at: <https://swzhockey.ca/> The all-girls teams will play as the SWZ Comets and include teams in U9, U11, and U13, if there is sufficient numbers in each age category. SWAT Hockey will continue to offer co-ed programming at all levels, and welcomes all female players wanting to play co-ed hockey.

Questions relating to all girls teams can be directed to SWAT's Female Coordinator at swatfemalecoordinator@gmail.com

U13 AA: Elite Hockey

For U13 players that are interested in playing in the AA program, there were new Elite Hockey Boundaries within Hockey Edmonton implemented last season - [click here to review the HE article](#). This change in boundaries means that players in

SWAT may be designated to the Canadian Athletic Club (CAC) rather than South Side Athletic Club (SSAC) as in previous years. Please review the [Hockey Edmonton Elite Hockey Boundary Map](#) to determine your Elite Club.

Information and registration for tryouts can be found on the respective websites:

- CAC: <http://www.cac-hockey.com/>
- SSAC: <https://ssac.hockey/>

If your child will be trying out at either SSAC or CAC please do not register with SWAT until such time as you know if they are returning to SWAT. Players returning to SWAT after Elite try-outs will pay early bird fees.

SWAT Development Program

The SWAT Development philosophy is focused on Player and Coach skill development and is based on the Hockey Canada Long Term Player Development (LTPD) model. Our focus is player-based and does not emphasize the importance of wins and losses, but rather of developing player skill, sportsmanship and teamwork.

The SWAT development model/curriculum of hockey is applied throughout SWAT's entire organization, not just at the higher tiers. It follows Hockey Edmonton "Streams of Play" programming guidelines, within the "Alberta One" tiering model, to group players of like skill for maximum development and balanced competition.

Players in U11 and U13 who evaluate and are placed on a Tier 1 or 2 team will participate in SWAT's Competitive development program which includes one extra practice and one skills session per week. ***This program has an added cost, over and above registration fees, that is collected after teams are formed.***

SWAT also secures several extra development opportunities for all players and goalies, which are available for those interested. Specific dates, providers, and registration details will be shared as the season gets under way.

What is the Timbits U7 Program?

The Timbits U7 program is broken into three age-based groups to introduce your little player to hockey:

Discovery – This program is offered to children born in 2018. This program is for brand new skaters, learning to skate with hockey equipment and incorporate hockey skills throughout the season. There will be a lead instructor and many other parent volunteers on the ice for the one hour weekly program.

Jr. Timbits- This program is offered to children born in 2017. There will be a Lead Instructor on the ice for a one hour weekly practice, with several coaches assisting. The coaches will use Hockey Canada's Initiation Program Curriculum.

Sr. Timbits- The 2nd Timbits program is available to children born in 2016. The program consists of two- 1 hour sessions per week (on Saturday and Sunday): 1 practice and 1 game. There will be a Lead Instructor on the Ice for practices, with several coaches assisting. They will use Hockey Canada's Initiation Program Curriculum. ****SWAT will consider accelerating 2017 born players to Sr Timbits if the evaluation results show that the child is proficient in the outlined Core Skills and is physically and mentally capable.*** List of Core Skills by category can be found here: http://www.swat.ca/files/timbits_core_skills.docx

Goalie Equipment

GOALIES!!! We can outfit you with a chest protector, blocker, catcher, and pads!
You can even use these pads for summer camps, clinics, or extra development sessions.
Contact our Equipment Team at equipment@swat.ca to make arrangements to sign out equipment.

Suggestions? Feedback?

We welcome suggestions or feedback about our club at any time. Please email registrar@swat.ca and your comments will be forwarded to the appropriate SWAT Hockey Executive member.
